SUMMARY

"Passionate fashion designer, with skills for womenswear pattern-making and in Lingerie and Bodywear; focused on design, and pattern-making, A creative mind with a vision to bring fresh ideas to the fashion industry. Constantly experimenting with new materials and techniques to expand traditional design boundaries but also to stay grounded. Eager to learn and grow in the field and excited for future opportunities. Connect with me to see my work and follow my journey in the fashion world."
